# — Description

- Subway KIOSK System
  - Self-ordering
  - Store managing

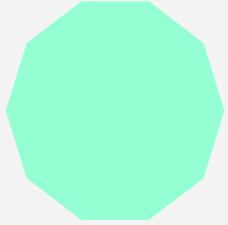

---

# Objective

To **reduce the ordering time** in Subway branches and to **simplify product management**

---

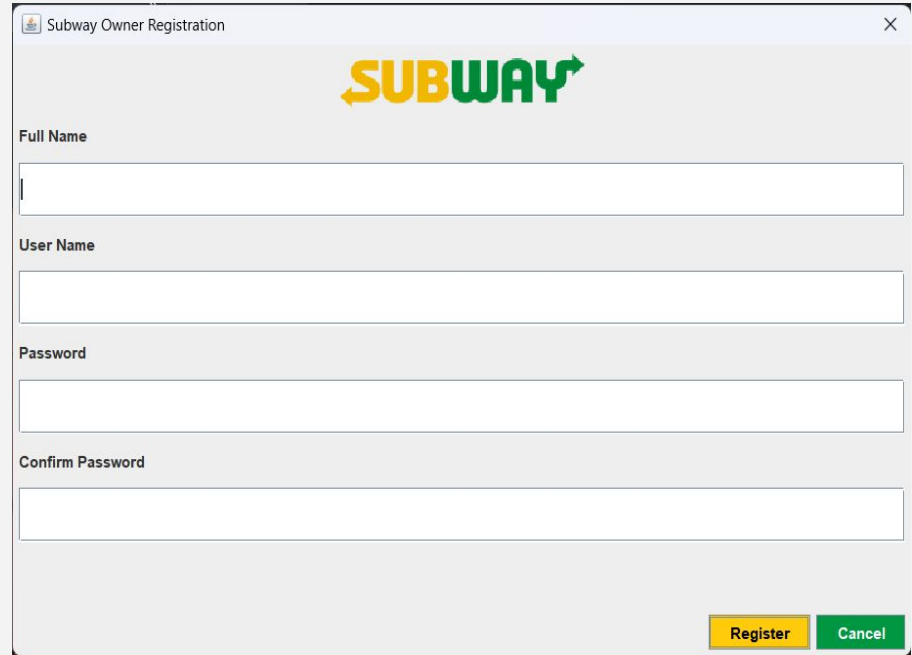

# Owner Features

---

# Registration

- **Register** as owner
- **Update** owner information

A screenshot of a web browser window titled "Subway Owner Registration". The window features the Subway logo at the top. Below the logo, there are four input fields labeled "Full Name", "User Name", "Password", and "Confirm Password". At the bottom right of the form, there are two buttons: "Register" (yellow) and "Cancel" (green). The window has a standard title bar with a close button (X) in the top right corner.

product list

# Product Management

- Add, remove, or edit product list

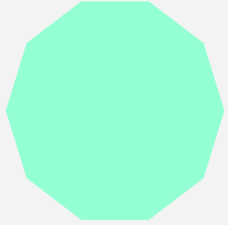

The screenshot displays a web application window titled "Edit Product Page". Inside, there is a modal dialog box titled "Edit Product" which features the Subway logo at the top. The form within the modal includes the following fields and options:

- Product Name:** A text input field.
- Product Type:** Two radio button options: "Sandwich" (which is selected) and "Wrap".
- Product Price:** A text input field. Above this field is a note: "Product Price (Exclude product type price: Sandwich = 2000 won, Wrap = 2500 won)".

At the bottom right of the modal, there are two buttons: a yellow "Add" button and a green "Cancel" button.

# Customer Features

---

# Product Purchase

- **Search** for products
- **Purchase** products with specifications

# Product Purchase

- **Search** for products
- **Purchase** products with specifications

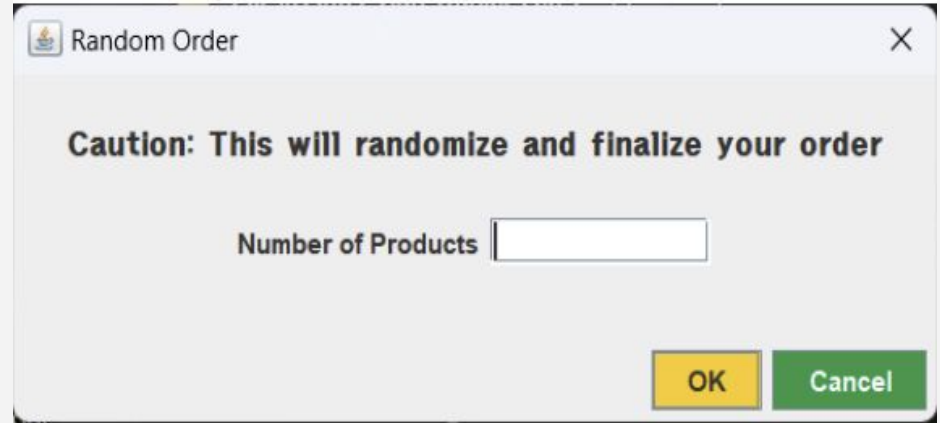

The image shows a screenshot of a web application window titled "Welcome to Subway". Overlaid on this is a "Subway Owner Registration" dialog box. The dialog box features the Subway logo and "Subway Club" branding. It contains several configuration options:

- Vegetables Choice:** Includes radio buttons for "All" (selected) and "Exclude", and a dropdown menu currently showing "Pickles".
- With Cookie?:** Includes a checkbox for "Yes", which is currently unchecked.
- With Drink?:** Includes a dropdown menu currently showing "None".
- Sandwich Size:** Includes radio buttons for "15 cm" (selected) and "30 cm".

At the bottom right of the dialog box are "OK" and "Cancel" buttons.

# Randomized Purchase

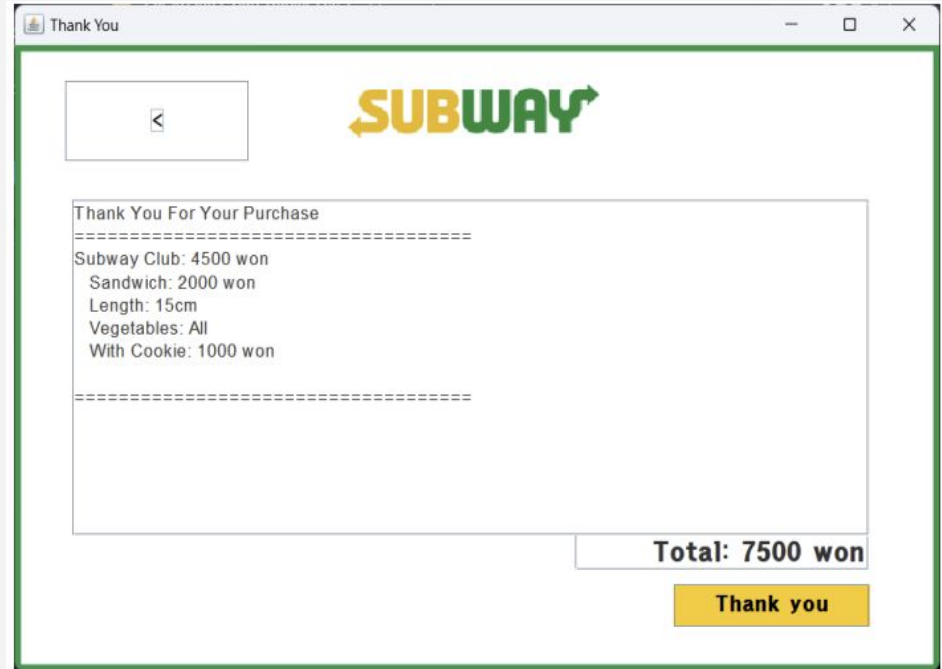

- **Randomize** product purchase

# Review

## Purchase

- **Check** the finalized purchase
